İLKBAHAR - YAZ

SPRING- SUMMER

#ÖZÜNDEMUTLULUKVAR

OKYANUS SERİNLİĞİ

Denizlerden tasarımdaki derinliğe...

Ruhunuzun güzelliklerini ortaya çıkarmak için yeni bir adım, farklı bir koleksiyon. Bu yaz şehirden kaçıyoruz, çünkü bunu hak ettik. Rota belli, maviliklere yürüyoruz. En şık, zarif, hoş görünümlü halimizle modayı yeni baştan beraber yaratıyoruz.

Okyanusların büyüleyiciliği ve maviliklerinden esinlenen 2021 İlkbahar - Yaz koleksiyonumuz, güzelliğiniz ile birleşiyor ve modayı bir kez daha şekillendiriyor. Deniz kenarında, şehrin sokaklarında, en özel davetlerde ve iş görüşmelerinde beraber ışıldayacağız.

OCEAN WINDLY

The sea flows into the depth of the design...

A new approach, a distinguished collection so that the beauty of your soul can shine. We abandon the city this summer since we have deserved to do so. Our route is set, we are marching to the blue. We recreate the fashion all over together with our most stylish, elegant, and nice-looking self.

Our Spring/Summer collection inspired from the enchanting beauty of the oceans and the blue unites with your beauty and shapes the fashion once again. We will glow together at the seashores, among the streets of the city, at the most special invitations, during the job interviews.

İlkbahar / Yaz

A BRAND NEW DEFINITION TO ELEGANCE

A mild breeze approaching from the sea comes together with your body, merges with your style. Your elegance points out the arrival of a new definition to elegance.

Güneşin ısıltısı, denizin, gökyüzünün mavisi ne kadar da büyüleyici. Yine de ötesine bakmak, gizli bir güzelliği aramak gerek.

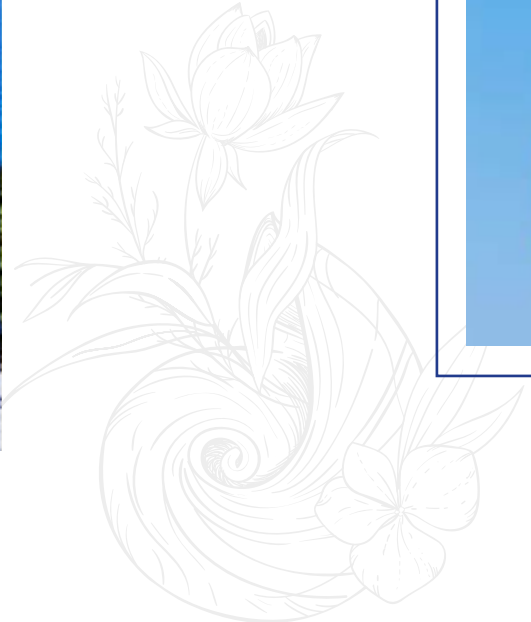

THE BEAUTIES HIDDEN IN THE COLORS OF THE NATURE

How enchanting is the blue of the sea and the skies enlightened by the sun. Yet, one should set the eyes beyond that, look for hidden beauty.
